All the glorifications and praises are for Allâh Alone, and His countless blessings be upon the last Prophet Muhammad . To bring up a child under the blessings of Allâh, it is necessary that from an early age we should introduce them to the ways of invoking our Lord, the Magnificent, the Beneficent.All of the invocations, praises and mentioning of Allâh presented in this book are related from the Sahih Ahadith of our beloved Prophet Muhammad . May Allâh fulfill our wishes and make our efforts successful in this regard. Amin
